

FAMA VIP AI Prompt: Generate Meta Ad Creative Ideas Using 5 Levels of Awareness (manually fill out only the context part in yellow. AI will take care of the rest)

Prompt to paste into ChatGPT:

I want you to act as a senior Meta Ads creative strategist with expertise in advertising psychology and Eugene Schwartz's 5 Levels of Awareness.

Help me develop scroll-stopping Meta ad creatives tailored to each awareness level:

1. Unaware
2. Problem Aware
3. Solution Aware
4. Product Aware
5. Most Aware

Organize your ideas in reverse order (Unaware → Most Aware). For each level, give me at least 3 creative ideas with the following format:

- Hook or angle
 - Suggested ad format (e.g., static image, UGC video, Reel, meme, carousel)
 - Strategic purpose (e.g., entertain, build trust, address objection, convert)
-

My Product/Service Context:

- Product/Service Name: [Insert name, e.g., Glowmie]
- Product Description: [e.g., A collagen-based fat-burning drink for Filipino women]

- Target Market: [e.g., Women aged 25–35 who want to slim down and get glowing skin]
 - Core Promise: [e.g., One glass a day = glow + burn fat without intense diets]
 - Brand Tone: [e.g., Playful, mima energy, relatable but real]
 - Top Funnel Goal: [e.g., Drive sales via Facebook/IG ads]
 - Current Offer: [e.g., ₱1,499/jar + free shaker + printable habit tracker]
-

Please return your answer in bullet format grouped by level, starting from Unaware (least aware) to Most Aware.

SAMPLE FILLED PROMPT

I want you to act as a senior Meta Ads creative strategist with expertise in advertising psychology and Eugene Schwartz's 5 Levels of Awareness.

Help me develop scroll-stopping Meta ad creatives tailored to each awareness level:

6. Unaware
7. Problem Aware
8. Solution Aware
9. Product Aware
10. Most Aware

Organize your ideas in reverse order (Unaware → Most Aware). For each level, give me at least 3 creative ideas with the following format:

- Hook or angle
 - Suggested ad format (e.g., static image, UGC video, Reel, meme, carousel)
 - Strategic purpose (e.g., entertain, build trust, address objection, convert)
-

My Product/Service Context:

Product: Glowmie – a collagen + fat-burning drink

Target Market: Filipino women aged 25–35

Core Promise: 1 glass a day = glow + fat burn, no crash diets

Brand Tone: Playful, relatable, “mima” energy

Offer: ₱1,499/jar + free shaker + printable habit tracker

Goal: Drive purchases via Facebook & Instagram ads

Please return your answer in bullet format grouped by level, starting from Unaware (least aware) to Most Aware.

SAMPLE AI GENERATED RESPONSE

Meta Ad Creative Ideas for *Glowmie*

Using Eugene Schwartz's 5 Levels of Awareness — from Unaware to Most Aware

1. UNAWARE

They're not even thinking about this problem or solution.

- Hook: "POV: You're sipping your Glowmie while everyone's stressing in the office"
Format: POV-style Reel
Purpose: Entertain and casually introduce the product
 - Hook: "Self-care shouldn't feel like a chore"
Format: Meme static comparing a 10-step routine vs. 1 glass of Glowmie
Purpose: Plant identity-based awareness
 - Hook: "Slow mornings + Glowmie = soft girl era activated"
Format: Aesthetic Reel with soothing lifestyle footage
Purpose: Tap into aspirational, wellness-driven behavior
-

2. PROBLEM AWARE

They know something isn't working (inconsistency, bloat, frustration) but don't know what solves it.

- Hook: "Mima, sawa ka na ba sa weight loss na walang kinalalagyan?"
Format: Relatable rant-style Reel
Purpose: Agitate frustration and mirror internal struggle
- Hook: "When your wellness goals end up as another unfinished New Year's resolution"
Format: Meme or quote-based static
Purpose: Reflect the pain of inconsistency
- Hook: "Hindi ka tamad. You just need something easier."
Format: Bold quote static or carousel

Purpose: Reframe self-blame and open curiosity

3. SOLUTION AWARE

They want this kind of result but haven't heard of your product.

- Hook: "Glow + Burn Fat in 1 Glass? Yes, it exists."
Format: UGC explainer Reel showing the drink being made
Purpose: Introduce the category solution
 - Hook: "Glowmie vs. other fat burners: Which one makes consistency cute?"
Format: Side-by-side carousel comparison
Purpose: Highlight uniqueness and ease
 - Hook: "Collagen. Fat Burner. Tastes like juice. One glass a day."
Format: Quick, punchy demo or motion graphic
Purpose: Educate and establish category authority
-

4. PRODUCT AWARE

They know your product but haven't decided yet.

- Hook: "FAQ Time! Does Glowmie taste good? Effective ba talaga?"
Format: Q&A UGC Reel or Story format
Purpose: Build trust by answering objections
 - Hook: "1 month with Glowmie: Less bloating, tighter waist, and glowy skin"
Format: Before/after static or casual UGC testimonial
Purpose: Show achievable, real-life results
 - Hook: "Mima-approved. TikTok-hyped. Real reviews. Ready to glow?"
Format: Review roundup carousel
Purpose: Stack social proof
-

5. MOST AWARE

They know what you sell and just need a push to buy now.

- **Hook: “Last 24 Hours to Claim Your Free Shaker and Habit Tracker”**
Format: Offer card with countdown timer
Purpose: Create urgency
- **Hook: “Only 100 Glowmie Kits Left — Don’t Miss This Deal”**
Format: Carousel showing what’s inside the offer bundle
Purpose: Drive scarcity and FOMO
- **Hook: “Been eyeing Glowmie? This is your sign”**
Format: Simple Reel with trending audio + CTA overlay
Purpose: Emotional prompt to act
